

# AC601 | INTERNATIONAL MOVEMENT AND SOUND MONITOR

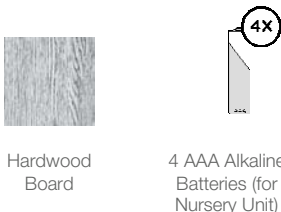

### WHY THIS MONITOR:

This baby monitor system offers great value for every parent who wants a basic sound monitor combined with the advanced baby technology of a high-quality movement detector. You will be able to hear every sound baby makes on your Parent Unit, and the under-the-mattress Sensor Pad will detect all of baby's movements – even breathing. So you have twice the reassurance that baby is safe. It also features a soft and soothing nightlight for the nursery.

### FEATURES:

- Under-the-Mattress Movement Sensor Pad** – Senses each and every one of your baby's movements and will sound an alarm if no movement is detected after 20 seconds. So you and baby can sleep tight\*.
- Optional "Tic" Feature** – Turn on this feature and your Parent Unit will make a ticking sound to reassure you that the monitor is working even when your baby is sleeping silently.
- Portable & Rechargeable Parent Unit** – If you are like most moms and dads, you take advantage of the moments baby is sleeping to get things done around your home. So carry the Parent Unit with you from room to room, for your peace of mind.
- Nursery Night Light** – A gentle little glow to guide you when you walk into baby's room.
- Out-of-Range Indicator** – Up to 250 meters/820 ft. (open field).
- Sound Lights** – To see and hear baby's sounds.
- Batteries or Mains Operated** – The battery option makes this system ideal for travel. Then, when you are at home, you can use the AC adapter to save your batteries for when you need them.
- Low Battery Indicator** – The low-battery indicator on the front of the monitor lets you know when it's time to change the batteries.
- Adjustable Movement Pad Sensitivity** – Allows you to select your desired movement sensitivity level.

**\*Note:** The Sensor Pad can be used with a regulatory standard baby mattress, whatever the size or thickness. However, it cannot be used with a memory foam mattresses, a dual sided, a mattresses with a hollow frame or a Purflo mattress.
